Progress Log of Iteration 3

Date	Activity	Comment
11/8/2020	Extended due dates for some tasks to the deadline	It will be more precise for description and diagram if we finish the coding part first
11/6/2020	Uploaded move pawn description	
11/9/2020	Fixed Move Pawn description	
11/11/2020	Finished coding "Place wall" use case and its description + diagram	
11/12/2020	Uploaded Move Pawn sequence diagram	

Communications Log of Iteration 3

Date	Comment
11/9/2020	Plan changed for me. Instead of writing description and sequence diagram first, I will finish the code and do them later. (Thu)
